CONSENT AGREEMENT

By mutual agreement and understanding, between the Arizona Medical Board ("Board") and Eric J. Miller, M.D. ("Respondent"), the parties agreed to the following disposition of this matter.

1. Respondent has read and understands this Consent Agreement and the stipulated Findings of Fact, Conclusions of Law and Order ("Consent Agreement"). Respondent acknowledges he has the right to consult with legal counsel regarding this matter.

2. By entering into this Consent Agreement, Respondent voluntarily relinquishes any rights to a hearing or judicial review in state or federal court on the matters alleged, or to challenge this Consent Agreement in its entirety as issued by the Board, and waives any other cause of action related thereto or arising from said Consent Agreement.

3. This Consent Agreement is not effective until approved by the Board and signed by its Executive Director.

4. The Board may adopt this Consent Agreement of any part thereof. This Consent Agreement, or any part thereof, may be considered in any future disciplinary action against Respondent.

1 5. This Consent Agreement does not constitute a dismissal or resolution of
2 other matters currently pending before the Board, if any, and does not constitute any
3 waiver, express or implied, of the Board's statutory authority or jurisdiction regarding any
4 other pending or future investigation, action or proceeding. The acceptance of this

13 any other state or federal court.

14 7. Upon signing this agreement, and returning this document (or a copy thereof)
15 to the Board's Executive Director, Respondent may not revoke the acceptance of the
16 Consent Agreement. Respondent may not make any modifications to the document. Any
17 modifications to this original document are ineffective and void unless mutually approved
18 by the parties.

19 8. If the Board does not adopt this Consent Agreement, Respondent will not
20 assert as a defense that the Board's consideration of this Consent Agreement constitutes
21 bias, prejudice, prejudgment or other similar defense.

22 9. This Consent Agreement, once approved and signed, is a public record that
23 will be publicly disseminated as a formal action of the Board and will be reported to the
24 National Practitioner Data Bank and to the Arizona Medical Board's website.
25

1 10. If any part of the Consent Agreement is later declared void or otherwise
2 unenforceable, the remainder of the Consent Agreement in its entirety shall remain in force
3 and effect.

4 11. Any violation of this Consent Agreement constitutes unprofessional conduct
5 and may result in disciplinary action. A.R.S. § § 32-1401(27)(r) ("[v]iolating a formal order,
6 probation, consent agreement or stipulation issued or entered into by the board or its
7 executive director under this chapter") and 32-1451.

FINDINGS OF FACT

1. The Board is the duly constituted authority for the regulation and control of the practice of allopathic medicine in the State of Arizona.

2. Respondent is the holder of license number 19279 for the practice of allopathic medicine in the State of Arizona.

3. The Board initiated case number MD-06-1038A after receiving a complaint from a pharmacist ("Pharmacist") alleging Respondent wrote and/or called in Hydrocodone prescriptions for his wife over the past two years. Board Staff subsequently notified Respondent to appear on January 6, 2007, for an investigational interview regarding the allegations.

4. On January 6, 2007, Respondent contacted the Board's Addiction Medicine Specialist and admitted to abusing Hydrocodone and using Tramadol over a two year period. Respondent also stated he wrote Hydrocodone prescriptions for his wife because her physicians were not providing her with enough medication for chronic foot pain. Respondent prescribed Hydrocodone to her without conducting any examination and without maintaining any medical records regarding his care and treatment he provided to her. Respondent stated about two years ago, he developed hand pain and did not seek medical care for himself, but started using some of his wife's Hydrocodone. Respondent admitted that he subsequently increased the amount of Hydrocodone prescriptions for his wife so there would be enough for him. Respondent admitted he was dependent on Hydrocodone and voluntarily agreed to enter treatment.

5. On January 9, 2007, Respondent signed a Consent Agreement for Practice Restriction prohibiting him from prescribing any form of treatment including prescription medications.

1 6. On April 13, 2007, Respondent was discharged from treatment with a
2 diagnosis of opioid dependence, which is in early sustained remission in a controlled
3 environment.

4 7. On April 19, 2007, during an investigational interview with Board Staff,
5 Respondent admitted to also prescribing Hydrocodone to patients DV and HF for other
6 than therapeutic reasons and then diverting it for his own use. Respondent wrote the
7 prescriptions without conducting an examination on each patient, without establishing a
8 doctor-patient relationship with each patient, and without maintaining any medical records
9 regarding his care and treatment provided to each patient. Board Staff obtained pharmacy
10 surveys for patients DV and HF and the surveys confirmed Respondent's statements.

11 8. A physician is required to maintain adequate legible medical records
12 containing, at a minimum, sufficient information to identify the patient, support the
13 diagnosis, justify the treatment, accurately document the results, indicate advice and
14 cautionary warnings provided to the patient and provide sufficient information for another
15 practitioner to assume continuity of the patient's care at any point in the course of
16 treatment. A.R.S. § 32-1401(2). Respondent's records were inadequate because he
17 failed to maintain any medical records on his wife, DV and HF regarding his care and
18 treatment of them.

19 CONCLUSIONS OF LAW

20 1. The Board possesses jurisdiction over the subject matter hereof and over
21 Respondent.

22 2. The conduct and circumstances described above constitute unprofessional
23 conduct pursuant to A.R.S. § 32-1401(27)(e) ("[f]ailing or refusing to maintain adequate
24 records on a patient."); A.R.S. § 32-1401(27)(f) ("[h]abitual intemperance in the use of
25 alcohol or habitual substance abuse."); A.R.S. § 32-1401(27)(h) ("[p]rescribing or

1 dispensing controlled substances to members of the physician's immediate family.");
2 A.R.S. § 32-1401(27)(j) ("[p]rescribing, dispensing or administering any controlled
3 substance or prescription-only drug for other than accepted therapeutic purposes.") and
4 A.R.S. § 32-1401(27)(ss) ("[p]rescribing, dispensing or furnishing a prescription medication
5 or a prescription-only device as defined in section 32-1901 to a person unless the licensee
6 first conducts a physical examination of that person or has previously established a doctor-
7 patient relationship.").

8 ORDER

9 IT IS HEREBY ORDERED THAT:

10 1. Respondent is issued a Letter of Reprimand for habitual intemperance, for
11 prescribing medications to patients for other than therapeutic purposes, for prescribing
12 controlled substances to a family member, for prescribing to patients without establishing a

3 this Order.

4 2. **Relapse Prevention Group.** Respondent shall attend MAP's relapse
5 prevention group therapy sessions one time per week for the duration of this Order, unless
6 excused by the MAP relapse prevention group facilitator for good cause such as illness or
7 vacation. Respondent shall instruct the MAP relapse prevention group facilitators to

9 to submit monthly reports to Board Staff regarding attendance and progress. The reports
10 shall be submitted on or before the 10th day of each month.

11 3. **12 Step or Self-Help Group Meetings.** Respondent shall attend

16 4. Following completion of the ninety meetings in ninety days,

18 appropriate for substance abuse as recommended by the MAP Director and approved by

20 program meetings per week for a total of twelve per month. Two of the twelve meetings
21 must be Caduceus meetings. Respondent must maintain a log of all self-help meetings.
22 Board Staff will provide the log to Respondent.

23 5. **Board-Staff Approved Primary Care Physician.** Respondent shall
24 promptly obtain a primary care physician and shall submit the name of the physician to
25 Board Staff in writing for approval. The Board-approved primary care physician ("PCP")

1 shall be in charge of providing and coordinating Respondent's medical care and treatment.
2 Except in an *Emergency*, Respondent shall obtain medical care and treatment only from
3 the PCP and from health care providers to whom the PCP refers Respondent.
4 Respondent shall request that the PCP document all referrals in the medical record.
5 Respondent shall promptly inform the PCP of Respondent's rehabilitation efforts and
6 provide a copy of this Order the PCP. Respondent shall also inform all other health care
7 providers who provide medical care or treatment that Respondent is participating in MAP.

8 a. "*Emergency*" means a serious accident or sudden illness that, if not
9 treated immediately, may result in a long-term medical problem or loss of life.

10 6. **Medication.** Except in an *Emergency*, Respondent shall take no
11 *Medication* unless the PCP or other health care provider to whom the PCP refers
12 Respondent prescribes the *Medication*. Respondent shall not self-prescribe any
13 *Medication*.

14 a. "*Medication*" means a prescription-only drug, controlled substance,
15 and over-the counter preparation, other than plain aspirin, plain ibuprofen,
16 and plain acetaminophen.

17 7. If a controlled substance is prescribed, dispensed, or is administered
18 to Respondent by any person other than PCP, Respondent shall notify the PCP in writing
19 within 48 hours and notify the MAP Director immediately. The notification shall contain all
20 information required for the medication log entry specified in paragraph 8. Respondent
21 shall request that the notification be made a part of the medical record. This paragraph
22 does not authorize Respondent to take any *Medication* other than in accordance with
23 paragraph 6.

24 8. **Medication Log.** Respondent shall maintain a current legible log of
25 all *Medication* taken by or administered to Respondent, and shall make the log available to

- 6 b. Date taken or administered;
- 7 c. Name of prescribing or administering physician;
- 8 d. Reason *Medication* was prescribed or administered.

9 This paragraph does not authorize Respondent to take any *Medication* other
10 than in accordance with paragraph 6.

11 9. **No Alcohol or Poppy Seeds.** Respondent shall not consume alcohol
12 or any food or other substance containing poppy seeds or alcohol.

13 10. **Biological Fluid Collection.** During all times that Respondent is
14 physically present in the State of Arizona and such other times as Board Staff may direct,
15 Respondent shall promptly comply with requests from Board Staff or MAP Director to
16 submit to witnessed biological fluid collection. If Respondent is directed to contact an
17 automated telephone message system to determine when to provide a specimen,
18 Respondent shall do so within the hours specified by Board Staff. For the purposes of this
19 paragraph, in the case of an in-person request, "promptly comply" means "immediately."
20 In the case of a telephonic request, "promptly comply" means that, except for good cause
21 shown, Respondent shall appear and submit to specimen collection not later than two
22 hours after telephonic notice to appear is given. The Board in its sole discretion shall
23 determine good cause.

24 11. Respondent shall provide Board Staff in writing with one telephone
25 number that shall be used to contact Respondent on a 24 hour per day/seven day per

1 week basis to submit to biological fluid collection. For the purposes of this section,

3 contact telephone number provided by Respondent. Respondent authorizes any person
4 or organization conducting tests on the collected samples to provide testing results to the
5 Board and the MAP Director.

6 12. Respondent shall cooperate with collection site personnel regarding
7 biological fluid collection. Repeated complaints from collection site personnel regarding
8 Respondent's lack of cooperation regarding collection may be grounds for termination
9 from MAP.

10 13. **Out of State Travel and/or Unavailability at Home or Office**
11 **Telephone Number.** Respondent shall provide Board Staff at least three business days
12 advance written notice of any plans to be away from office or home when such absence
13 would prohibit Respondent from responding to an order to provide a biological fluid
14 specimen or from responding to communications from the Board. The notice shall state
15 the reason for the intended absence from home or office, and shall provide a telephone
16 number that may be used to contact Respondent.

17 14. **Payment for Services.** Respondent shall pay for all costs,
18 including personnel and contractor costs, associated with participating in MAP at
19 time service is rendered, or within 30 days of each invoice sent to Respondent.

20 15. **Examination.** Respondent shall submit to mental, physical, and
21 medical competency examinations at such times and under such conditions as directed by
22 the Board to assist the Board in monitoring Respondent's ability to safely perform as a
23 physician and Respondent's compliance with the terms of this Order.

24 16. **Treatment.** Respondent shall submit to all medical, substance
25 abuse, and mental health care and treatment ordered by the Board.

1 17. **Obey All Laws.** Respondent shall obey all federal, state and local
2 laws, and all rules governing the practice of medicine in the State of Arizona.

9 Respondent or Respondent's use of drugs or alcohol in violation of the Order, Respondent
10 shall promptly enter into an Interim Consent Agreement for Practice Restriction that
11 requires, among other things, that Respondent not practice medicine until such time as
12 Respondent successfully completes long-term inpatient or residential treatment program
13 for chemical dependency designated by Board Staff and obtains affirmative approval from
14 the Board or the Executive Director to return to the practice of medicine. Prior to
15 approving Respondent's request to return to the practice of medicine, Respondent may be
16 required to submit to witnessed biological fluid collection, undergo any combination of
17 physical examination, psychiatric or psychological evaluation and/or successfully pass the
18 special purpose licensing examination or the Board may conduct interviews for the
19 purpose of assisting it in determining the ability of Respondent to safely return to the
20 practice of medicine. **In no respect shall the terms of this paragraph restrict the**
21 **Board's authority to initiate and take disciplinary action for violation of this Order.**

22 21. **Notice Requirements.**

9 hospitals and free standing surgery centers where Respondent currently has or in the
10 future gains employment or privileges, of a chemical dependency relapse, use of drugs or
11 alcohol in violation of this Order and/or entry into a treatment program. Within seven days
12 of any of these events Respondent shall provide the Board written confirmation of
13 compliance with this notification requirement.

14 22. **Public Record.** This Order is a public record.

15 23. **Out-of-State.** In the event Respondent resides or practices as a
16 physician in a state other than Arizona, Respondent shall participate in the rehabilitation
17 program sponsored by that state's medical licensing authority or medical society.
18 Respondent shall cause the monitoring state's program to provide written reports to the
19 Board regarding Respondent's attendance, participation, and monitoring. The reports
20 shall be due quarterly on or before the 15th day of March, June, September, and
21 December of each year, until the Board terminates this requirement in writing. The
22 monitoring state's program and Respondent shall immediately notify the Board if
23 Respondent: a) is non-compliant with any aspect of the monitoring requirements; b)
24 relapses; c) tests positive for controlled substances; d) has low specific gravity urine drug

11 written reports to Board Staff regarding diagnosis, prognosis, medications, and
12 recommendations for continuing care and treatment of Respondent. The reports shall be
13 submitted on or before the 15th day of March, June, September and December of each
14 year, beginning on or before September 15, 2007.
